## Sandan and up Tameshigeri

Round 1

Round 2

Finals

\***Inazuma giri**- this is a fast sequence of cuts with no pauses between them. All cuts must be completed within one second.

\* **Nami Gashi**- The sequence is done with two targets side by side. The first cut must stop before impacting the second target. The second cut is made without removing the katana from between the targets. The first two cuts and Suihei should be at the same level.
